The Aldermen then voted with the following result: BALLOTS FOR CLERK.

Whereupon Major W. E. Woodruff was de clared elected, but as the fourth and fifth ballots

looked rather squally for his hopes, he had re

Mr. Harvey Seaton was re-elected Sergeantat-Arms without opposition, and atter the Alderhen had concurred in the resonant at 7½ | 0 | 19 men had concurred in the resolution from the

The Common Council was called to order by the Clerk and the roll called. All the members elect were present except Dr. N. B. Marshall. The oath of office was administered by Squire Clemens, and Messrs. Campbell and Armstrong placed in nomination for l'resident. On the first hallot the vote stood, Compbell 13, Armstrong 5, Mr. C. not voting. Mr. Campbell on taking the 2 23 Chair made a few appropriate remarks and then the Council went into nomination for Clerk. Messrs, Vaughn, Gilchrist, and Fontaine were placed in nomination, after a motion to postpone the election had been rejected. The first ballot stood, Vaughn 12, Gilchrist 5, Fentaine 2. Mr. Vaughn was declared elected, and we congratulato this excellent officer upon the compliment

A motion was made that when the Council adnrn it do so to meet again on Thursday evening at 714 o'clock. Mr. Barbco moved to amend by inserting 3 P. M. He said that the charter required the meetings to be held in daylight, and by complying with that requirement, the fees of Sergeant-at-arms and gas would be saved amounting to some \$600 to \$700 annually. The amendment was rejected and the original resolution

awarded to him by such a respectable vote. Mr.

Reaugh was elected Sergeant-at-Arms by 12

Committees were appointed to notify the Mityor and the Board of Aldermen of the organization of this branch, and the old rules were adoped. A communication from the Court-house issioners directed attention to the unfinished condition of the East room of that building, and in view of the prospect of an active political campaign, and the attendance of many distinguished persons to address our citizens, suggested that measures be taken to make it comfortable. This was appropriately referred to a Standing Compittee to be appointed at the next meeting. Some other routine business, of no particular mportance, except so far as it was the oil to set the governmental wheels easily in motion, for the next year, was completed, and then the Coun-
